

2020 Delta Dental of Kansas Matching Gift Application: Participating Dentist

The Delta Dental of Kansas (DDKS) Matching Gift Program encourages eligible Participating Dentists to become personally involved in the well-being of the communities in which they live and work by contributing to qualifying charitable organizations of their choice. This voluntary program matches financial donations, up to \$100.00 (per person, per year) to an eligible non-profit organization.

HOW IT WORKS

1. Review the program guidelines (below) to confirm your application is eligible.
2. Make an **eligible*** (see qualifications below) contribution in the form of an unrestricted financial gift to a qualified charitable organization.
3. Complete Section 1 of the application and attach/enclose the eligible charitable organization's receipt from your donation.
4. If approved, DDKS will pay the matching gift directly to the organization.
5. When the gift is paid, you will receive notification via email.

ELIGIBLE PARTICIPANTS

Any DDKS Participating Dentist, within the current Plan Year, is eligible to participate.

ELIGIBLE ORGANIZATIONS

Any non-profit charitable health care, education, civic or cultural organization is eligible for the Matching Gift Program provided it is located in Kansas, recognized as a tax exempt organization by the Internal Revenue Service under Section 501(c)(3) and is not listed within the restricted/non-eligible lists below. U.S. (local and/or state) government owned and operated entities such as public schools, publicly owned and operated museums, public libraries and zoos are also eligible.

*ELIGIBLE GIFTS

- In all cases, a donor's gift must be a charitable contribution under the IRS rules.
- Gifts must be current contributions made directly by the donor to the eligible organization from the donor's own assets. Gifts must be made, not merely pledged.
- An eligible gift is a cash gift (cash, check or credit card), and not a gift of securities or other property.
- The minimum eligible gift is \$25.00 and the maximum eligible gift is \$100.00 (per person, per year).
- Please note that neither Delta Dental of Kansas, the Participating Dentist/donor, nor any member of their family may directly or indirectly benefit as a result of the matching gift.

RESTRICTIONS AND NON-ELIGIBLE GIFTS *(Please note, this list may be expanded or amended at any time.)*

- Religious organizations (churches, synagogues, mosques, ministries, seminaries and other houses of worship) or other organizations primarily promoting religious purposes. Other faith-based community service organizations may be considered eligible if they serve a secular purpose (such as a food pantry, homeless shelter), do not require participating in prayer, worship or religious activities as a condition of receiving services(s) offered, and do not use the individual donation or resulting match for religious purposes.
- Private or family foundations, personal trusts or fraternal organizations.
- Individual, family, or group memberships in organizations.
- Pooled funds from a number of individuals.
