EASILY ESTIMATE YOUR OUT-OF-POCKET COSTS

Find out what to expect to pay at an upcoming dental appointment with our Dental Care Cost Estimator*. This easy-to-use tool provides estimated out-of-pocket costs based on the selected dentist and the individual's specific dental plan! Use the Dental Care Cost Estimator on the Delta Dental mobile app or online through your member account at DeltaDentalKS.com.

HERE'S HOW IT WORKS:

Log in - log in to the Delta Dental mobile app or your online member account at DeltaDentalKS.com.

Select the Cost Estimator button - once logged in, select the Dental Care Cost Estimator tool.

Fill out the form - select who the estimate is for, your ZIP code, the treatment you would like to look up and your dentist. To find your dentist, start typing in their last name, and then tap the search button to the right and select your dentist. When finished, select Get Cost Estimate.

View Your Responsibility - you will see a screen that will show you Your Responsibility*. You will also see if your deductible is applied, and how much of your maximum is remaining.

To look up a different estimate, select Get Another Cost Estimate at the bottom of the screen.

*The Dental Care Cost Estimator provides an estimate and does not guarantee the exact fees for dental procedures, what your dental benefits plan will cover or your out-of-pocket costs. Estimates should not be construed as financial or medical advice. For more detailed information on your actual dental care costs, please consult your dentist and call Delta Dental of Kansas at 800.234.3375.
