Your online member account is a great place to access the information you need about your dental plan. Access your account at DeltaDentalKS.com.

Through your account you can:

- **Review your benefits and eligibility** - see what services are covered and when you’re eligible for your next exam.

- **See how your claims paid** - after your appointment, you’ll be able to look up your claims to see how they paid.

- **Estimate your out-of-pocket costs** - know before you go with the Dental Care Cost Estimator. This feature allows you to estimate costs based on your dental plan, your dentist, and specific procedures.

- **Print your member ID card** - need another copy of your member ID card? No problem - you can print them here.

- **View your Explanation of Benefits (EOBs) and sign up to receive them electronically** - EOBs show you how your benefits paid and what out-of-pocket costs you may have. These are sent via mail whenever a claim is submitted unless you elect through the member account to receive them electronically.

- **Access member only discounts** - visit the member perks page to view member-only discounts for you and your family.

Need to create an account? No problem. Easily register for an account using your member ID number. Your member ID number can be found on your ID card. If you have issues registering, or don’t know your member ID number, call us at 800.234.3375.

*The Dental Care Cost Estimator provides an estimate and does not guarantee the exact fees for dental procedures, what your dental benefits plan will cover or your out-of-pocket costs. Estimates should not be construed as financial or medical advice. For more detailed information on your actual dental care costs, please consult your dentist and call Delta Dental of Kansas at 800.234.3375.
