RS4K PROGRAM DETAILS

Here are some important things to know:

100% Coverage for kids -

RS4K provides 100% coverage for all covered services under the plan, excluding orthodontics.

NEW Age limit options -

Now offering RS4K with an expanded age limit option. Employers can choose their age limits, please confirm benefits for your patients:

- Kids 12 and under
- Kids 18 and under (*new for 1/1/2026*)

Must see an in-network dentist - RS4K only applies when visiting a Delta Dental PPO™ or Delta Dental Premier® network dentist. If an out-of-network dentist is seen, then the underlying contract applies including waiting periods, deductibles, and coinsurance levels.

No deductible or waiting periods -

Covered services under RS4K are not subject to the plan's deductible or waiting periods.

Annual maximum applies - Covered services under RS4K are subject to plan's annual maximum.

Excludes Orthodontics - RS4K does not apply to orthodontic services.
